SOMERVILLE INTERMEDIATE SCHOOL

Somerville has a team of very experienced and well qualified New Zealand registered teachers. They carefully design the curriculum to meet the needs of this age group, including exciting specialist and technology programmes. Students are encouraged to be capable, self-assured and self-directed lifelong learners.

Somerville has outstanding, modern facilities and resources to support students' learning and for sporting activities. The school offers specialist ESOL programmes and dedicated staff to monitor and support all aspects of international student life. Students become part of a caring and inspiring community within the school.

In its most recent government audit, the school received the highest recommendation and the report included comments acknowledging the wellbeing of students and high level of teaching practice.

Government audit wrote - "Teachers show high levels of professionalism and their work is purposeful and focused on success for all students. The school's values based curriculum is highly effective in supporting student wellbeing and learning."

Somerville's goal is to ensure the success of every student and equip future global leaders.
