

PERMISSIONS

Digital Learning/Device Commitment

Digital learning is an integral part of our curriculum. Our students use a Chromebook or laptop (Google Apps Suite). The expectation is that students take responsibility for bringing a charged device to school, for locking it away securely, and for using it within the boundaries and expectations of digital use at Somerville Intermediate. The school does not take responsibility for loss or damage. Our classrooms are not separated into digital/non-digital groupings. Classroom programmes utilise both digital and written work. Please indicate your commitment to supplying your child with a Chromebook or laptop on the enrolment form.

Publishing/Photo/Multimedia Consent

Throughout the year there are many opportunities for our students to be showcased and their work celebrated. Photos and videos are often taken at whole school events, community celebrations, or competitions. Images may be used in the school newsletter, may appear on our website, or used within the classroom. They will never be shared with third party organisations without your permission.

EOTC - Activities in the Immediate School Vicinity (2km radius) Consent

From time to time students access learning by visiting our local schools, sports club (Meadowlands Drive) and the Mangemangeroa Reserve (Somerville Road). These trips are always under adequate adult supervision and students will be told ahead of time if alternative clothing or footwear is required.

MEDICAL - IMMUNISATIONS

We do not require a copy of your immunisation certificate, however, we do ask that you record accurately the immunisations that your child has received. In the event of a national epidemic, this information helps us prepare as a school to maximise the safety and well-being of our students.
